

### “Piecemakers” Quilt Group

This is a group of women that meet at the Senior’s Centre on the third Monday evening of the month at 7:00 PM September to October and April to June. During the winter months, November to March we meet on the third Sunday afternoon of the month at 2:00 PM. There are no meetings in July or August. Our year begins in September and we have a planning meeting for the year held in June. The membership is \$10.00 per year. We get a new pattern every month and a member of the group does a demonstration every month. We have guest speakers and outsiders doing demonstrations, usually on a Saturday. We do some charity work and have made quilts for the First Responders. For more info contact Laverne Libke at 652-4740, Joan Wilson @ 492-4922 or Irene Lindberg @ 492-4733.
